

pangolin::VideoInterface

pangolin::VideoPropertiesInterface

pangolin::DepthSenseVideo

```
graph BT; A[pangolin::DepthSenseVideo] --> B[pangolin::VideoInterface]; A --> C[pangolin::VideoPropertiesInterface];
```

The diagram illustrates a class hierarchy or implementation relationship. At the bottom, a box labeled 'pangolin::DepthSenseVideo' has two arrows pointing upwards to two boxes at the top: 'pangolin::VideoInterface' on the left and 'pangolin::VideoPropertiesInterface' on the right. This indicates that 'pangolin::DepthSenseVideo' implements both interfaces.
